No. 399 2008

PERMANENT CLOSURE OF PORTIONS A AND B (OF THE REMAINDER OF PORTION 4 OF PORTION 2 OF THE FARM OUTAPI TOWNLANDS NO. 860), OUTAPI EXTENSION 1, AS STREET

Notice is hereby given in terms of Section 50 of the Local Authorities Act of 1992 (Act No. 23 of 1992), that the Outapi Town Council proposes to permanently close Portion A (±1492m²) and Portion B (±1130m²) of Portion 4/2/860/Rem as “Street”, as indicated on plan W/08119-4 which lays for inspection during office hours at the offices of the Outapi Town Council.

At the entrance of Outapi situated at the Ruacana-Oshakati Main Road junction with the main street into town the street reserve widens by a distance of up to 100m forming an excessive wide junction area. In order to align the junction of the main street of Outapi with the Main Road to direct traffic flow the mentioned portions of street is needed to be closed. This underutilised area can then be more effectively used by Council for development purposes. Portion A will be closed as street to be
consolidated with Erf 422/Rem, in exchange with Council for Portion X (of Erf 422), on which a
local authority water pump is located. Portion B is intended to be reserved for “Public Open Space”
for accommodating the street area previously subjected to soil excavation activities.

Further, take notice a copy of the locality map of the proposed street closures as indicated on SPC
Drawing No. W/08119-4 which lays for inspection during normal working hours at the offices of the
Outapi Town Council.

Also please take notice that any person objecting against the permanent closure as indicated above
may lodge an objection together with the grounds thereof, with the Chief Executive Officer of the
Outapi Town Council and/or Stubenrauch Planning Consultants cc, in writing before or on Monday,
15th December 2008.
